Where

Croasdale Country Club
3800 Farm Gate Ave
Durham, NC 27705

Dear Fellow Professional :

Please consider this special invitation to attend our regular monthly meeting on Thursday, April 16, 2015 from 6:00 to 8:00 PM.

Bill will cover the latest information he has on changes to our NC Building Codes. We have some amendments to our current 2012 code as of January 1, and a new code for existing buildings as of March 1st. There are also several exceptions or special cases to the code based upon legislative action which

you won't find in the code books. And, the Department of Energy has raised energy efficiency ratings for HVAC equipment and water heaters this year, too.

The last part of his presentation will address the architect-engineer relationship as it relates to building codes and the need to understand all of this as the engineer struggles to just get a code-compliant design finished.

Bill Clark is a small business owner and veteran. He is a registered professional engineer and has designed building engineering systems for over 36 years. His expertise extends to the design of plumbing, HVAC, electrical, and fire alarm systems for new and renovated buildings. His project experience includes designs in the government, military, healthcare, commercial office, retail, assisted living, and multifamily residential sectors. His project involvement has varied throughout his career and includes a broad scope of engineering services from master planning and concept design to contract and construction documents to bid, negotiation, and construction administration, to post-construction follow-up and "as-built" document preparation.

Please click on the link below to register; the cost to attend is \$25 for members and \$35 for non-members. You can now pre-pay as you register with a credit card or PayPal account, mail a check, or pay at the door with cash or check. We cannot accept credit cards at the event.

The price includes a buffet dinner at the Croasdaile Country Club. The buffet features a salad bar, and a variety of hot dishes; the food is excellent. Social hour is from 6:00 to 6:30 pm and there is a cash bar. Dinner is from 6:30 to about 7:00 and the seminar will begin about 7:00, the presentation will be about an hour followed by Q&A.

One (1.0) PDH will be provided; a terrific bargain! Please join us for this great presentation by clicking on the "Register Now" link below, if you cannot attend please let us know as well, and feel free to forward this invitation to as many others as you would like using the button below.

If you do not wish to continue to receive event invitations from the Durham Engineers Club please unsubscribe using the link at the bottom. The Durham Engineers Club has one meeting per month.

We look forward to seeing you at the meeting!

Sincerely,

Jennifer Buzun, PE
