Dear Fellow Professional:

Please consider attending our exciting meeting this coming Thursday, May 12th. We will award two \$1,000 scholarships to college-bound high school seniors from Durham who have enrolled in an engineering program.

In addition we have an awesome presentation by David True, PE and Chuck Ladd, PE from Southern Energy Management, Inc. They will speak about energy efficient commercial high performance building, solar photo-voltaic generation and water heating, tax incentives for renewable energy systems, alternative financing structures and legislation.

Southern Energy Management, Inc was founded in 2001 and is headquartered in Morrisville. They have about 90 full-time employees, including licensed electricians and plumbers, nationally certified building scientists and solar technicians, engineers and home energy raters.

The firm has won a number of prestigious awards including the "2010 Green Jobs Award" presented by the SJF Institute and Green for All, they have been the "2010, 2009, 2008 and 2007

EPA National Energy Star Partner of the Year", and were awarded the "2009 City of Raleigh Environmental Market Transformation Award".

In 2010 the firm installed more than 7 megawatts of solar power, partnered with builders to construct more than 2,000 Energy Star and green-certified homes, and helped to reduce more than 225,000,000 lbs of CO2 emissions.

Please click here [*Register Now*](#) (or above) to register, the cost to attend is \$23 for members and non-members alike. The price includes a buffet dinner at the Croasdaile Country Club. The buffet features an extensive salad bar, and a variety of hot dishes; the food is excellent. Social hour is from 6:30 to 7:00 pm and there is a cash bar. Dinner is from 7:00 to 7:30 and our speaker will begin at 7:30, the presentation will be about an hour.
