**Duke Stream & Wetland
Assessment Mgmt. Park**
**Duke Stream & Wetland
Assessment Mgmt. Park**
**Parking lot on south side of
NC 751
between Science Drive and**

Dear Fellow Professional :

**Please consider our special invitation to attend this special
field trip of the Duke University Stream & Wetland
Assessment and Management Park (SWAMP).**

The tour will be given by Dr. Curtis J. Richardson, Director of
the Duke University Wetland Center and Professor of Resource
Ecology at Duke's Nicholas School of the Environment.

The SWAMP is a stream and wetland restoration project in
Duke Forest near Duke University's West Campus. The project
addressed water quality concerns (high nitrogen and
phosphorus concentrations, sediment load, and coliform
bacteria) in Upper Sandy Creek, a headwater for Jordan Lake.

**Duke University Road
Durham, NC**

The SWAMP ecosystem serves as an outdoor classroom and field laboratory for students and researchers and provides a site for research on biological diversity, hydrology, invasive plant species and other environmental concerns.

This field trip will involve walking in the woods - wear sturdy walking shoes or boots. Bring water and insect repellent if desired.

**2013 Corporate Golf
Tournament Sponsors**

HAZEN AND SAWYER
Environmental Engineers & Scientists

STEWART

**HORVATH
ASSOCIATES**

**THE JOHN R. McADAMS
COMPANY, INC.**

Directions: From the intersection of US 15-501 Bypass and NC 751, travel South on NC 751 (Cameron Blvd). Pass Erwin Rd on your left, then Science Drive on your left. Turn right into a gravel parking lot on your right after Science Drive.

One (1.0) PDH will be provided. Please join us for this great event by clicking on the "Register Now" link below. If you cannot attend please let us know as well, and feel free to forward this invitation to as many others as you would like using the button below.
