HAZEN AND SAWYER
Environmental Engineers & Scientists

Dear Fellow Professional :

Please consider this special invitation to attend our regular monthly meeting on Thursday, January 16, 2014 from 6:00 to 8:00 PM.

An area that should have been one of Durham county's initial areas to be developed for both residential and commercial uses when the RTP opened in the early 60's, in reality is the last.

Ron Horvath will talk about the expected impacts, challenges and growth trends for eastern Durham.

Ron earned his BS in Civil Engineering from the University of Pittsburgh. Since 1975, Mr. Horvath has designed and administered a wide variety of commercial, residential, and industrial projects ranging in cost up to \$80 million dollars throughout the southeast. Prior to joining the private sector, Mr. Horvath worked at both the District and Divisional offices

STEWART

HORVATH
ASSOCIATES

MCADAMS

with NC DOT. He left public practice after ten years as the Chief Engineer of the Civil, Structural and MEP Departments to start a full service Architectural/Engineering Firm in 1988. During his career he has performed multiple public sector projects including various roadways, water, sewer and pumping station design. His public work experience includes the City of Durham, City of Raleigh, Durham County, City of Burlington, Town of Cary, the University of NC and the National Park Service. His knowledge of eastern Durham development includes work on a number of projects, including the Del Webb Carolina Arbors "active adult" development on a 434-acre parcel of land, featuring 1,275 ranch-style townhomes and single-family homes.

Please click on the link below to register; the cost to attend is \$25 for members and \$35 for non-members. You can now pre-pay as you register with a credit card or PayPal account, mail a check, or pay at the door with cash or check. We cannot accept credit cards at the event.

The price includes a buffet dinner at the Croasdaile Country Club. The buffet features an extensive salad bar, and a variety of hot dishes; the food is excellent. Social hour is from 6:00 to 6:30 pm and there is a cash bar. Dinner is from 6:30 to about 7:00 and the seminar will begin about 7:00, the presentation will be about an hour followed by Q&A.

One (1.0) PDH will be provided; a terrific bargain! Please join us for this great presentation by clicking on the "Register Now" link below, if you cannot attend please let us know as well, and feel free to forward this invitation to as many others as you would like using the button below.
