Shaping the Future

**Dear Fellow Professional :**

**Please consider this special invitation to attend our regular monthly meeting on Thursday, March 19, 2015 from 6:00 to 8:00 PM.**

More than 12.5 million people will call North Carolina home by 2040 while simultaneously expecting a decline in projected revenue needed to build and maintain infrastructure. The state gas tax will no longer be a reliable revenue source, and federal funding is uncertain. The 2040 Plan estimates that over the next 25 years current revenue streams will generate \$54 billion with expected costs of between \$94 billion and \$123 billion to maintain and enhance the quality of service offered by our transportation system.

A native of South America, Burt has lived in Raleigh since 1978 where he attended N.C. State University and obtained a B.S. degree in Civil Engineering in 1982 and a Master's degree in Civil Engineering in 1990. He is also a 1986 graduate of the UNC School of Government. He is a registered Professional Engineer in North Carolina.

For the past 30 years he has worked primarily in the area of transportation both in the private and public sector. During this time he has been involved with all phases of transportation planning, programming, funding, revenue forecasting and cash management. His engineering career began working for one year for a private consultant company, before joining the City of Raleigh. Since 1996 he has been employed with the North Carolina Department of Transportation. During this time he has held various positions in the Program Development Branch, Information Technology Division, Financial Management Division and most recently in the Office of the Secretary as the State Program Analysis Engineer. Burt had the distinction of being at AASHTO on a Financial Management Fellowship.

**Please click on the link below to register; the cost to attend is \$25 for members and \$35 for non-members. You can now pre-pay as you register with a credit card or PayPal account, mail a check, or pay at the door with cash or check. We cannot accept credit cards at the event.**

The price includes a buffet dinner at the Croasdaile Country Club. The buffet features a salad bar, and a variety of hot dishes; the food is excellent. Social hour is from 6:00 to 6:30 pm and there is a cash bar. Dinner is from 6:30 to about 7:00 and the seminar will begin about 7:00, the presentation will be about an hour followed by Q&A.

One (1.0) PDH will be provided; a terrific bargain! Please join us for this great presentation by clicking on the "Register Now" link below, if you cannot attend please let us know as well, and feel free to forward this invitation to as many others as you would like using the button below.

**HAPPY NEW YEAR!**
