Please consider this special invitation to attend our regular monthly meeting and annual scholarship awards dinner on Thursday, May 19, 2016 from 6:00 to 9:00 PM.

Robin Grandl, PhD is the Director of Marketing at TransEnterix, a medical device company founded in the Research Triangle area and dedicated to advancing laparoscopic surgery through innovation. Robin earned two engineering degrees from MIT and a PhD in engineering from the Swiss Institute of Technology. Over the last 10 years, she has leveraged her technical background to enhance the commercialization of innovative medical device technologies..

TransEnterix believes that future growth of surgical robotics will be defined by disruptive innovation, both from a technological and economical perspective: we must build on the success of conventional surgical techniques while addressing their limitations, provide innovative technology that addresses trade-offs, and offer compelling economic value to hospitals.

Please click on the link below to register; the cost to attend is \$25 for members and \$35 for non-members. You can now pre-pay as you register with a credit card or PayPal account, mail a check, or pay at the door with cash or check. We cannot accept credit cards at the event.

The price includes a buffet dinner at the Croasdaile Country Club. The buffet features a salad bar, and a variety of hot dishes; the food is excellent. Social hour is from 6:00 to 6:30 pm and there is a cash bar. Dinner is from 6:30 to about 7:00 and the seminar will begin about 7:00, the presentation will be about an hour followed by Q&A.

One (1.0) PDH will be provided; a terrific bargain! Please join us for this great presentation by clicking on the "Register Now" link below, if you cannot attend please let us know as well, and feel free to forward this invitation to as many others as you would like using the button below.
