Dear Fellow Professional :

Please consider this special invitation to attend our regular monthly meeting on Thursday, April 20, 2017 from 6:00 to 8:30 PM.

>>>>Please note different location for this meeting.<<<<

Connected vehicle development is closer than you think.
Connected vehicles combine GPS, Wi-Fi, wireless sensors and dedicated short-range communications to enable high-speed, real-time communication among vehicles, roadside infrastructure and mobile devices. The USDOT will be issuing upcoming guidance for local communities that want to become part of the Connected Vehicle environment.
