**Please consider this special invitation to attend our regular monthly meeting on Thursday, November 16, 2017 from 6:00 to 8:30 PM.**

The presentation will discuss the Durham-Orange Light Rail Transit (D-O LRT) Project. The presentation will focus on the history of the project, the current alignment, the Engineering Phase of the project as well as the next steps for the light rail project. We will then walk you through all 18 stations and discuss the unique engineering elements of each station.

Willie A. Noble is a project engineer for GoTriangle. He is licensed in Indiana and North Carolina. He is a graduate of Washington University in St. Louis with a B.S. in Civil Engineering and a concentration in structural engineering. He has over 35 years of experience in structural engineering and construction/project management. Willie has spent the past 20 years in the transportation/transit industry where he has worked on heavy rail, light rail, and streetcar projects. He has been a member of the American Society of Professional Engineers (ASCE) since 1978 and is also a charter member of ASCE's Structural Engineering Institute.

Robin Baker is the Public Outreach Associate for GoTriangle.

**Please click on the link below to register; the cost to attend is \$25 for members and \$35 for non-members. You can now pre-pay as you register with a credit card or PayPal account, mail a check, or pay at the door with cash or check. We cannot accept credit cards at the event.**

The price includes a buffet dinner at the Croasdaile Country Club. Social hour is from 6:00 to 6:30 pm and there is a cash bar. Dinner is from 6:30 to about 7:00 and the seminar will begin about 7:00.

One (1.0) PDH will be provided; a terrific bargain! Please join us for this great presentation by clicking on the "Register Now" link below, if you cannot attend please let us know as well, and feel free to forward this invitation to as many others as you would like using the button below.
