

Subject: Annual DEC Golf Tournament!!
Attachments: 2011 golf tourney.pdf

Good Morning Fans!

Instead of the June meeting of the DEC we will have a golf tournament!

Please see the attached PDF.

It is a fund-raiser for our scholarship fund, so please consider signing up all available duffers you know. Golfing prowess certainly not required.

This is my last official duty as your Secretary- other very important thingies call me away....

Perhaps you would like to throw your hat in the ring for this most prestigious post!

Please let Jesse Sullins know if you will play in the tourney. If you'd read the attachment, you already know this.

Ha!
