February Meeting:

Henry Kaestner, Co-founder and Executive Director of Bandwidth.com gave a truly insightful presentation on the exciting developments of voice network and the “DurhamCares” charitable giving program. More information can be found at www.bandwidth.com and www.durhamcares.org.

News:

- We are in the process of narrowing down the list of DEC 2010 Scholarship Award winners. Two deserving seniors from area high schools will receive a stipend from our club!
- Reviews of the Millennium dinner were generally good. Improvements are in the works to insure more timely delivery of meals and we have an even better menu. The “horseshoe” type seating arrangement ensured everyone had a good view of the presentation. We will meet there again next Thursday.
- We have arranged for the March meeting to be counted as one hour towards P.E. credit! As the years unfolds, we hope to offer more meetings with credits.
- Please note our April meeting at Riverside is on the third Thursday of the month, and begins at 6:00 pm. This dinner will be catered in the Riverside Cafeteria. Come see what the youth of America is learning about Engineering.

Programs:

March 11 Millennium Hotel
