** APRIL 2011 ISSUE **

March Meeting

- The March meeting had a blockbuster turnout! Croasdaile hosted 30+ DEC Members and wanna-bes for a stellar presentation by Dr. William Rhoe on his new book, **“The Research Triangle: From Tobacco Road to Prominence”**. Now we know how we arrived from there to here, all without a map!

April Meeting

- Join us at Croasdaile, THIS Thursday- April 14th, for a high-level event! Our speaker will be Randy Kabrick, PE. His program, “Integrated Waste Management”, details a promising approach for municipalities to address solid waste management needs. This presentation promises “food for thought”.

Tidbits

- This year we have a change of venue for the DEC Annual Golf Tournament. We will be cavorting at the Umstead Pines at Willowhaven Golf Course in Durham. It is scheduled for June 16th, at 1:00. We are hoping to make this a quasi- fundraising event. Details to follow.
- Join us as we welcome the DEC to the 21st Century! We are now using Constant Contact to distribute invites to our monthly meetings. As before, you can still e-mail or call Tina Raneri if you will be coming to the meetings. Whichever method you choose to R.S.V.P., please attend!
- Hippy Hoppity, pay your dues! Easter eggs will NOT be accepted in lieu of payment. Jelly beans, maybe.

Upcoming Meetings:
