Dear Fellow Professional:

Please consider our special invitation to attend our regular monthly meeting Thursday, January 12th from 6:30 to 8:30 pm. This presentation will be made by Jennifer Buzun, PE who not only is our past President, but she is also a Stormwater Development Review Engineer with the City of Durham.

The presentation will cover a project to analyze and help the US military respond to major fuel spills from storage tanks, on-water fuel transfer, and overland pipelines associated with 8 of the largest military facilities on the island of Okinawa, Japan. Host government and local populace environmental and economic concerns, US military leadership infrastructure, environmental requirements, and existing spill response efforts on the part of the Japanese government and commercial entities in Southeast Asia all had to be factored into the response plan.

Jennifer is a graduate of Duke with a BA in Math and Computer Science and Master of Science in Environmental Engineering. She joined the City of Durham in 2009, and prior to that she worked for Radian Corporation and engineering-environmental Management (e2M). The project that she will discuss was conducted while she was employed by e2M. She is also a Peace Corps Alumnus and was stationed in Thailand for three years.

Please click on the link below to register; the cost to attend is \$25 for members and \$35 for non-members and this is collected at the event via cash or check. We and the Club cannot accept credit cards for this event.

The price includes a buffet dinner at the Croasdaile Country Club. The buffet features an extensive salad bar, and a variety of hot dishes; the food is excellent. Social hour is from 6:30 to 7:00 pm and there is a cash bar. Dinner is from 7:00 to 7:30 and the webinar will begin at 7:30 and the presentation will be about an hour.

One (1) PDH will be provided; a terrific bargain!

Please join us for this great presentation by clicking on the "Register Now" link below, if you cannot attend please let us know as well, and feel free to forward this invitation to as many others as you would like using the button below
