Where

Croasdaile Country Club
3800 Farm Gate Avenue
Durham, NC 27705

Dear Fellow Professional :

Please consider this special invitation to attend our regular monthly meeting on Thursday, May 16, 2019 from 6:00 to 8:30 PM.

Commercial small Unmanned Aerial Systems (sUAS) platforms use small format, non-metric cameras to collect aerial imagery. The NC Department of Transportation (NCDOT)

Photogrammetry Unit is evaluating the use of non-metric camera photogrammetry to produce aerial survey grade geospatial data for its construction and preconstruction programs. The presentation will share NCDOT Photogrammetry Unit experience, findings, and test results to date.

Keith Johnston is the manager for the NCDOT Photogrammetry Unit. Keith has a Bachelor's Degree in Geology from East Carolina University and a Master's Degree in Geodetic Engineering from Virginia Tech University. He worked 6 years as a Department of Defense civilian employee prior to joining the NCDOT Photogrammetry Unit where he has worked for nearly 30 years.

He is registered Professional Engineer and Professional Land Surveyor in North Carolina.

Please click on the link below to register; the cost to attend is \$25 for members and \$35 for non-members. You can now pre-pay as you register with a credit card or PayPal account, mail a check, or pay at the door with cash or check. We cannot accept credit cards at the event.

The price includes a buffet dinner at the Croasdaile Country Club. Social hour is from 6:00 to 6:30 pm and there is a cash bar. Dinner is from 6:30 to about 7:00 and the seminar will begin about 7:00.

One (1.0) PDH will be provided; a terrific bargain! Please join us for this great presentation by clicking on the "Register Now" link below, if you cannot attend please let us know as well, and feel free to forward this invitation to as many others as you would like using the button below.
