

The Durham Engineers Club Cordially Invites You  
to our Thursday, October 21, 2021, Meeting

## ***How North Carolina Got Its Shape***

**featuring guest speaker**

***Gary W. Thompson, PLS***  
***Chief, North Carolina Geodetic Survey***

### ***The North Carolina/Virginia Boundary***

***The original border was established based on surveys in the 1700s and a survey performed in 1887-1888. This presentation will provide a historical review of the North Carolina - Virginia boundary to include information on surveys of by William Byrd (1728), Joshua Fry and Peter Jefferson (1749), and H. T. Greenleaf (1887-1888). Why is there an offset in the North Carolina - Virginia boundary and what monuments have been recovered that were established in the 1887-1888 survey?***
