\$50/year**

Job Opportunities

Route 19 W before Hurricane Helene

Route 19 W after Hurricane Helene

Doing Business with the NCDOT Post-Helene

by

Dan Lieberman, VP, Branch Civil

Dan's career now spans 35 years working on major construction projects on the east coast as an Engineer, Project Manager and now VP of Operations. Notable projects include D.C. Metro stations and tunnel, Lock and Dam 5 in Louisiana, and the Big Dig in Boston. Recently Dan was assigned to an acquired company in Burnsville, NC to support acquisition and integration.

During this time, approximately 6 months ago, Hurricane Helene chose Burnsville, NC as one of its ground zero sites, dumping 30+ inches of rain and devastating the area with major damage, including area wide communication, power, and water outages. Dan's company Branch Civil was there on day one to support the North Carolina Department of Transportation (NCDOT) and the community. This presentation will guide you through the emergency response and what's currently happening with doing business with the NCDOT.

Dear Fellow Professional:

Please consider this special invitation to attend our regular monthly meeting on Thursday, June 19, 2025 from 5:00 to 8:30 PM. **Please note that we will be starting a half-hour earlier than usual due to the fact that The Mayflower does not have a buffet.**

Social time is from 5:00-5:30 PM, and dinner is from 5:30 to about 6:30 PM, followed by the speaker presentation.

One (1.0) PDH will be provided, a terrific bargain! Please click on the "Register" link above, or decline if you are not able to attend. Feel free to forward this invitation to as many others as you would like using the link at the bottom of this e-mail.

If you do not wish to continue to receive event invitations from the Durham Engineers Club, please unsubscribe using the link at the bottom of this e-mail.

Please click on the link above to register. We look forward to seeing you at the meeting!

Sincerely,
René Johnson
Secretary, Durham Engineers Club
