**October - GOLF  
TOURNAMENT**

**October 19 - TBD  
Speaker**

**Please consider this special invitation to attend our regular monthly meeting on Thursday, September 21, 2017 from 6:00 to 8:30 PM.**

This presentation will offer a selective look through some historic proposals for transportation system projects in and around Durham and their influence on today's infrastructure and transportation networks.

The City of Durham Public Works Department has been instrumental in planning and conceptualizing transportation infrastructure projects for the City as far back as the early 1900's. The Public Works Department still has many plans that were drawn up for projects which were never built or were only partially built.

This presentation will highlight a few cases of transportation system projects that were proposed for the City with a focus on:

- Reviewing historic proposals for transportation system improvements to relieve traffic congestion in Durham involving streets, railroads, trolley and electrical grid.
- Looking at how some of those original proposals are evident in today's infrastructure and transportation networks.
- Imagining how the City would look today if those projects had been constructed as originally proposed.

George Locke is a GIS Analyst for the City of Durham's Public Works Department. He has been involved in mapping and GIS since 1986. His areas of expertise include property research, utility systems mapping and analysis, historical research and analysis. George's free-time endeavors include conducting genealogical research (both traditional and genetic), studying history, and writing blog articles about spiritual and research oriented topics. George is also active in mission work in Guatemala.

**Please click on the link below to register; the cost to attend is \$25 for members and \$35 for non-members. You can now pre-pay as you register with a credit card or PayPal account, mail a check, or pay at the door with cash or check. We cannot accept credit cards at the event.**

The price includes a buffet dinner at the Croasdaile Country Club. Social hour is from 6:00 to 6:30 pm and there is a cash bar. Dinner is from 6:30 to about 7:00 and the seminar will begin about 7:00.

One (1.0) PDH will be provided; a terrific bargain! Please join us for this great presentation by clicking on the "Register Now" link below, if you cannot attend please let us know as well, and feel free to forward this invitation to as many others as you would like using the button below.
